

SIMPLICITY MOWER & TRACTOR IDENTIFICATION NUMBERS

Typical I.D. Tag Locations

North American Models

CE Models

To Locate your Simplicity Identification Number:

The Manufacturer's Identification Number is located on a **Silver Tax** fixed to the frame of the unit. For **Newer** products, the number is **Seven** characters long beginning with **169**____. For **Earlier** products, the number is **Six** characters long beginning with **990**____. Some early ID tags only show a **Three** character number. For the three character ID numbers, add the **990** prefix.
